INTRODUCTION

At Everwood Furnishings, our mission is twofold: first, to honor God in all we do, and second, to provide you with furniture that transforms your outdoor spaces into havens of comfort and joy. Every piece we craft reflects our commitment to quality, sustainability, and your satisfaction.

We understand that outdoor gatherings—whether it's a barbecue with friends or a quiet moment with iced tea—create cherished memories. That's why we've designed a collection of finely crafted furniture to enhance those experiences.

Our furniture is made from high-grade, weather-resistant materials designed to withstand the elements. We proudly use premium poly lumber, a durable, eco-friendly material made from 95% recycled content—including milk jugs! By choosing Everwood, you're not only investing in beautiful, low-maintenance furniture but also contributing to a greener planet.

To ensure lasting quality, each piece is assembled with stainless steel fasteners that resist saltwater and all-weather corrosion. The result? Furniture that won't crack, splinter, or fade, giving you peace of mind

and years of enjoyment. Maintenance is as easy as a quick wash with soap and water.

At Everwood Furnishings, we believe outdoor living should be worry-free. So, take a seat, relax, and make more memories.
